

## Build-in-Time Game

Build-in-Time: Bulldoze your way through Americas past from the 1950s to the 21st century. Earn cash and Life Rewards for Mark Retro, a young kid with big dreams. Build a construction business from the ground up and create homes for movie starlets, hippies and more. Buy upgrades like observatories and pirate ships throughout six stylized decades. Use your innovative Click Assist feature and become the Craftsman of the Century in Build-in-Time, a Time Management quest. Download it and start playing Build-in-Time.
