

Caribbean Pirate Quest Game

Caribbean Pirate Quest: A perched parrot and a wooden leg aren't enough to keep your "mateys" in line. Refill your grog supply at local Pirate Towns to keep your crew in check. Use clues in this humorous Match-3 puzzle game to navigate your ship through several Caribbean Pirate Quest maps. Search for ten legendary treasures and earn upgrades for your ship. Be careful not to make too many mistakes, or your jaded crew will feed you to the jaw-snapping sharks. Download it and start playing Caribbean Pirate Quest.
