

## Elias the Mighty Game

Elias the Mighty: Based on the legendary Russian folk hero, Elias the Mighty is a thrilling Arcade-Puzzle game based on shape recognition. Match the objects with their corresponding shapes to keep Elias and fellow characters strong. Use food to increase the power of your character. Their health will fade fast without your Puzzle expertise. Collect gems and spend your riches on more items. Fight alongside Elias the Mighty in a storyline steeped with tradition. Download it and start playing Elias the Mighty.
