

Etch A Sketch Game

Etch A Sketch: Grizelda the witch has shaken things up inside the Etch A Sketch, and Knobby must restore "draw and order" to his world. Help Knobby save his kidnapped friend and stop Grizelda's evil plan to turn everything in the Land of Aha! to Dullsville! Full of creative art tools, four unique game modes, tons of unlockable hidden items and a cast of hilarious characters, Etch A Sketch is innovative fun for the whole family! Check out this digital upgrade to the World's Favorite Toy today! Download it and start playing Etch A Sketch.
