

Jig Words Mac Game

Jig Words Mac Game: Click on letters to spell words and reveal fun photos. There's two modes to play: "Jig Words" mode challenges you to find all the possible words and includes exciting "Word Duel" bonus rounds. "Letter Racing" mode places you in competition with 3 other players to see who can find words the fastest! As you make words, you're also revealing hundreds of fun photos and you can even add your favorite photos right into the game. Download it and start playing Jig Words Mac Game.
