

## KingMania Mac Game

KingMania Mac Game: KingMania is an action strategy game based in a fantasy world that will test your ability to make quick tactical decisions. Use spells, combined with the power of your loyal subjects, to defeat your opponents. Control different areas, like castles, villages, mage towers and more to begin building the strength of your monarchy. Gather gold at the mines to pay for more than 30 structure upgrades to your buildings and towns. Become the ruler you also knew you could be with KingMania! Download it and start playing KingMania Mac Game.
