

## Mystery Stories: Island of Hope Game

Mystery Stories: Island of Hope: Top New York journalist Michelle Deanfield is finally taking a much needed Caribbean vacation. Join her on the white sands amidst the magic of the Mayan culture, steeped in legend and divinity. Not to mention, a good-looking diving instructor in her view. Everything is rosy for Michelle, that is, until the curse strikes and a museum casket goes missing. The natives claim it's a curse from old spirits, but Michelle sets out to prove otherwise in this Hidden Object game. Will she uncover a network of lies in Mystery Stories: Island of Hope? Download it and start playing Mystery Stories: Island of Hope.
