

Plantastic Game

Plantastic: Mowing the lawn is simple, but planting a flower ... think again. Put on your gardening gloves and collect beautiful bouquets. Plant flowers side by side in rows of three or more, but be careful, every rose has its thorn in this match-3 game. New flowers arrive frequently so you're green thumb must act quickly to avoid incoming flower-food! To be a Master Gardener, hone your skills and become simply Plantastic. Download it and start playing Plantastic.
