

Snack to the Future Game

Snack to the Future: TheFlo Through Time storyline concludes in this sky-high futuristic fun-fest! Meet new customers, dress up like it's Sci-Fi Con, and train a Flobot as you help Flo and Grandma Florence find their way back through time. Introducing Flobot—two extra robotic hands to help you through your shift. New animated counter food replicator. Three all new characters, as well as cameos by all the customers introduced throughout the series. Download it and start playing Snack to the Future.
