

Zoo Vet 2: Endangered Animals Game

Zoo Vet 2: Endangered Animals: Ever wondered what it's like to be a real-life veterinarian? Hold the stethoscope and hear the heartbeat of endangered animals like: elephants, zebras, polar bears, and more. You'll need a steady hand to perform surgeries while treating broken bones and diseases. Animal info in Zoo Vet 2 is provided by The African Wildlife Foundation, and a portion of every purchase is donated to help save the animals. Download it and start playing Zoo Vet 2: Endangered Animals.
